## COVID-19-RELATED GUIDELINES

### VACCINATION

We recommend that all in-person HVTN Full Group Meeting attendees (guests, speakers, staff) are fully vaccinated for COVID-19 with all appropriate boosters.

### MASKING

We recommend that attendees wear a paper surgical mask when not eating or drinking.

### DAILY TESTING

There will be NO daily testing requirement for COVID-19. The HVTN registration team will have a small number of rapid tests on-hand should you feel ill and need to test.

#### CONFIDENTIALITY

Just a reminder—information shared in plenaries and all other sessions is confidential.

## SPECIAL SESSIONS

### HVTN FOR FIRST TIMERS

Is this your first time attending a major meeting hosted by the HIV Vaccine Trials Network?

This session helps to ensure attendees understand the HVTN and how it is designed to support site activity. Attendees will also learn how to build capacity for participating in the meeting, as for many this is their first scientific conference. Breakfast will be served in the Empire Ballroom.

#### EMPIRE BALLROOM

Wednesday, May 3rd

7:30 – 8:30 am

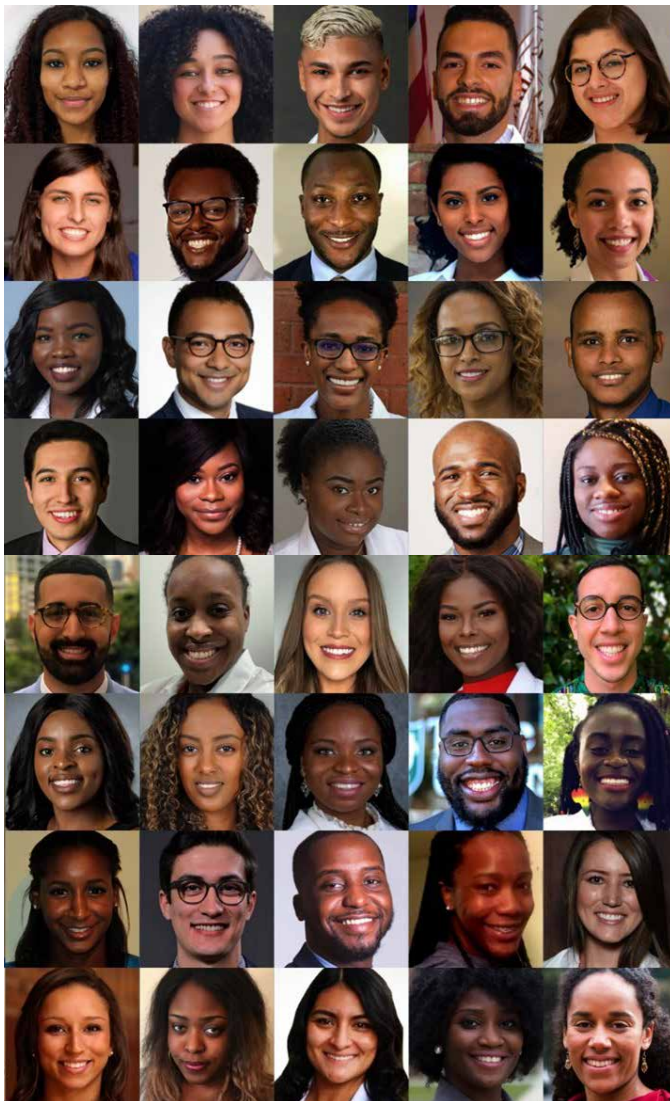

### HVTN/COVPN POSTER SESSION/RAMP SCHOLAR POSTER SESSION

Meet, mingle, and learn about innovative HIV & COVID-19 science being conducted by researchers, including the rising generation of researchers – our RAMP Scholars. Join us for a fun event to learn about their work.

#### REGENCY BALLROOM

Thursday, May 4th

6:30 - 7:30 pm

# HVTN SCIENTIFIC LEADERSHIP DEVELOPMENT PROGRAM

Our mission is to build the next generation of diverse scientists to lead HIV vaccine clinical trials around the world.

We congratulate our 2023 awardees, who will receive support for one year to complete an HVTN mentored research project.

Applications for next year's program will open in July 2023 and more information can be found at <https://www.hvtn.org/scientific-programs/scientific-leadership-development.html> or by corresponding with Alison Roxby, MD at [aroxby2@fredhutch.org](mailto:aroxby2@fredhutch.org).
